

Registration for AP Examinations

Registration is now underway for the Spring AP examinations. Below is a list of the AP Examinations and test dates.

The fee for each examination is \$94.00*. Submit the registration form between March 1st and March 29th, 2018 to your school testing coordinator. Payment should be made by cash, check or money order payable to your child's school. **Registration payments are non-refundable.**

The Virginia Department of Education allows students who take AP Exams to be exempt from the corresponding course's End-of-Course SOL test. Students who score below the minimum state requirement of 2 or higher on an AP exam will not receive a verified SOL credit and will be responsible for taking all required SOL exams needed for verified credit in order to meet graduation requirements. Students who do not meet the required AP score for verified credit may not be promoted to the next grade if they have not met the requirement for verified credits. Please refer to the Program of Studies for promotion requirements.

All AP Literature or Language students will need to register and pay for their AP exams by March 16th in order to be exempt from the Spring Writing/Reading SOL testing administrations that are scheduled in March or May.

All other AP students will need to register and pay for their AP exams by the March 29th deadline in order to be exempt from the Spring SOL testing administrations that are scheduled in May.

*Students who have registered for the free/reduced lunch program, qualify for a fee waiver.
